

# Hey! You!

## DO YOU HAVE AN IDEA YOU WANT TO EXPLORE?

You have a dream for the people you support, but you're not sure how to make it happen? The Catholic Health Corporation of Manitoba (CHCM) Exploration grant can give you up to \$8,000 to fund your research!

The Exploration Grant was created to provide resources directly to staff, to develop out of the box solutions for your organization and the people you support.

***Your organization is part of CHCM.***
